Date27th Oct 2018

I would like to thank the NOCF team for giving me the honour to judge at this prestigious event. It was a joyous day with everyone in the very best of moods. We were very well looked after with a lovely lunch and pressies at the end of the day.

I can't praise my team enough Julie Osborne Super Steward and Becky Coleman Maths Genius, for their commitment, not only on the day but in all the preparation. Including the blip over the outfit, but it came good in the end. Also Mike Turley for his help in making and setting up the archway into the ring.

There will be no negative comments in my report, the teams will be experienced enough to know exactly what they were marked for.

1st Sarah Delaney & Tazaeos Diablo "Rogan" BC losing 4.25

Loved your round Sarah and Rogan, such team work. He worked his socks off for you, with a smile on his face. Was so happy to award you this title.

2nd Connie Handford & Lupitoonz Simandconjo "Subi" BC Losing 5.5

One of my very favourite dogs and he did not disappoint today, neither did Connie such lovely smooth handling. So So close to the title. You MUST win a ticket next year.

3rd Sharon Webley & Boom Bang-A-Bang "Boomer" WS losing 6.75

Sharon your little dog is a dream, he was definitely strutting his stuff, and I was pleased to watch it. Very happy and motivated round. Good Luck for 2019.

4th Maureen Conlin & Jarysmystic Ear Comes Mo "Error" WS losing 12.25

On my word, what a prospect and future this young lady is going to have. I think you should have her name though, you know what I mean. Look forward to seeing her next year.

5th Jean Queen and Gaytonwood Gigha "Rustle" GR losing 12.75

My tip for the top, saw this boy at Birmingham and was very impressed with him. He has Style, Personality , Enthusiasm and Accuracy. Will be flying high. Good luck in 2019

6th Sue Plunkett & Remror On The Go "Trafford" BC losing 13.5

Lovely team work and exceptional handling, looking forward to seeing him work his tickets next year. Good Luck.

Well done Wendy & Joey he has excelled himself all this year, hoping for the same next year. Wishing you the best of luck.

8th Jan Morse & Cories Claret "Ellie" BC losing 18.5

Well done Jan with your lovely girlie, wish you luck for the future.

9th Maureen Conlin & Swift And Fun "Shep" BC losing 19.25

I was runner up to Shep last year at the Champs, and I can see that he is slowing up a bit but still has that enthusiasm.

10th John Clark & Saartjie Highland Thistle "Kenzie" WS losing 23

The most eventful round, where we were joined by another dog in the ring, however you and Kenzie kept working and he managed his sit position immediately after. Well Done .

Must mention Sue Gunson & This Way who ran off with John for 10th place , very close run thing, well done Sue.

Thank you all for letting me judge your lovely dogs. Everyone who worked was fabulous and apart from the little hiccups we would have had to have a bigger line up.
