Class Novice Part 1

Judge Tony Wyatt, Ring Steward Katie Wyatt, Runner & Scoreboard Emily Wyatt.

Thanks to Fran and team for the invite to judge at this great end of year competition. The atmosphere was super as was the competitors' attitude - happy and friendly. We were well looked after with good food and refreshments, thanks again.

Of course my job would be impossible without my fabulous girls who were faultless as usual.

RESULTS

1st No 22 Alison with Tia. What a fabulous round, you came into the ring a bag of nerves but got it together to produce a close to perfect round, and that's not all, you both went on to win the outright first place in novice after a long long day, Well Done You open firsts on the way.

2nd No 26 Paul with Megan great to see a bloke in the ring you were the only one in mine today producing a brilliant round to earn you a well deserved second place. Megan just went wide now and again but the set pieces were bang on. A great partnership

3rd ARO No 18 Claire with Flick A couple which could easily have come first but unfortunately Flick spooked and got up in her recall when next door shouted, these things happen, and a knock on in retrieve but the rest was great. Firsts to come.

4th No 27 Louise with Jiffy great round Lou all looking good for the new season with young Jiffy. Just a little bit nosy causing the odd wides but then again its different to most venues and noisy so did well to work through it See you next year

5th No 3 Hazell with Teddy Good to see a nice big dog working so close and really happy with it . Teddy settled into heelwork and looked nice and tight on his turns and with his almost perfect set pieces deserved his fifth place.

Last of all thanks to you competitors for making it a pleasure to judge.
